ufi The International
Association of the
Exhibition Industry

ENTER Nigeria's \$127.7 billion Construction Market

Growth in the Nigerian construction industry is supported by improvements in economic conditions, an increase in oil revenues and the governments investment in the development of overall infrastructure projects across the country.

Your gateway to the biggest projects in West Africa*

35-KILOMETER

Urban rail system is under construction in Lagos. The project entails the construction of a total of seven lines

US\$ 6.5BN

Will be budgeted for the Nigeria LNG Train 7 project, which will have a capacity of 4.2Mpta and supporting infrastructure including an 84,200m³ storage tank

US\$5.8M

Investment towards the country's biggest power plant, Mambilla hydropower project

3.1GW

Electricity expected to be generated by Mambilla hydropower project

US\$3.3B

To be invested under the Family Homes Fund by 2023 to minimize housing deficit

500,000

Housing units to be supplied by the government by 2023

With such an increase in activity, serious construction buyers are looking for local and global products for their projects. The Big 5 Construct Nigeria is the ideal platform for you to access this region and monetise on its high potential market.

*Source: www.constructionreviewonline.com

Key exhibiting brands included:

Covering the full spectrum of the construction industry

BUILDING INTERIORS & FINISHES

- Kitchen, Bathroom & Related Surfaces
- Marble, Ceramic & Stone
- Surface & Finishes
- Lighting
- Sealants, Adhesives & Coatings
- Flooring, Ceiling & Walling
- Windows & Doors

BUILDING MATERIALS & TOOLS

- Construction Tools & Hardware
- Machinery & Equipment
- Metal & Steel
- Wood, Plastic & Composite
- Aluminium

HVAC R

- Heating, Ventilation & Air Conditioning Components
- Refrigeration Systems & Equipment
- Plumbing & Water Technology
- Pumps, Valves, Pipes & Fittings
- Access and Lifting Equipment

MEP SERVICES

- Electrical Systems & Products
- Pumps, Pipes & Plumbing
- Safety, Security & Fire Protection
- Water Technology
- Modular MEP Systems

CONCRETE

- Testing & measurement tools
- Hand Tools
- Construction components
- Metal, steel & aluminium
- Safety & Special equipment
- Construction equipment & machinery
- Hardware & construction tools

BUILDING SERVICES

- Facilities Management
- Commercial Cleaning & Hygiene
- Elevators & Escalators
- Safety & Security
- Building Automation
- Software & IT
- Pre-engineered Building

SOLAR & URBAN DESIGN LANDSCAPING

- Energy Storage Solutions
- Photovoltaics
- Solar Technology & Services
- Solar Thermal Technologies
- Landscaping

DIGITAL CONSTRUCTION & SMART BUILDINGS

- 3D Printing
- Artificial Intelligence (AI)
- Construction Management & Software
- Information Management & Data Science
