ABOUT AMERICA PROPERTY EXPO

The America Property Exhibition taking place in New York City, USA on 3rd to 5th of September 2024, will host and bring together leading exhibitors, developers, global investors, entrepreneurs and real estate professionals from different parts of the world under one roof.

APEX will offer high-value interactive experience for local and international market players in the real estate community to prominently showcase their industry-leading brands, properties and services to global consumers. The show will serve as an ideal B2B platform to widen your business network, expand your market and secure exclusive deals on your dream real estate properties.

APEX is expected to attract hundreds of prominent and industry-leading exhibitors from around the globe to meet, interact and conduct business with thousands of affluent buyers and visitors.

USA REAL ESTATE AND PROPERTY MARKET OVERVIEW

The US real estate and property market with an estimated value of USD 3.81 Trillion in 2022 is expected to grow at a compound annual growth rate (CAGR) of 5.2 % from 2023 to 2030 to reach USD 5.85 Trillion by 2030.

Demand for Real Estate Property Remains Robust and on the Rise

According to the National Association of REALTORS®, commercial and residential property sales are expected to grow from 4.56 million units in 2022 to 7.26 million units in 2027.

Based on official reports, existing sales of commercial buildings, townhouses, condominiums and cooperatives, account for more than 65 % of the market, while new home sales represent the remaining 35 % of the market.

WHY NEW YORK?

New York, often called New York City or NYC, is the most populous city in the United States and often defined as the financial, cultural, media, and entertainment capital of the world.

The city is one of the most high-value and vibrant real estate markets in the world, making it an ideal and attractive destination for investing in real estate property across its affluent neighborhoods.

New York pride itself as a premier market for real estate property that presents enormous business opportunities for local and global investors, entrepreneurs and industry professionals, and the robust commercial, real estate and housing market is a significant indicator of the healthy status of the real estate industry of the city.

Exhibit at APEX to boost your brand and secure groundbreaking real estate deals across a wide range of real estate avenues all over the globe.

WHO VISITS?

Institutional Investors

For institutional investment, asset management, banking, insurance and pension firms who are looking for high ROI in alternative real estate markets around the world, APEX offers an unparalleled platform to discover the latest upcoming projects as experts, facilitate conversations around market trends and share insightful information into USA for commercial, industrial, hospitality and residential investments.

Private Investors

If you're invested in real estate and looking to expand on an established property portfolio or discover alternative investment opportunities, APEX is a high-end business and research environment to meet with expert developers and financial advisors and to reach an informed decision about your next purchase.

Homebuyers

Whether you're a first time buyer or a current homeowner looking for your next purchase, with the vast array of new luxury and affordable villas and condominiums available in the market, now is the time to take the next step and consider the investment opportunities around you. Avoid wading through complexities of online portals and have trusted face-to-face conversations with developers and advisors, helping you make the right decision.

ABOUT THE VENUE

The Javits Center is a modern and state-of-the-art Convention and Exhibition Center with an expansive area of 310,000 sqm and is billed as one of the busiest and most desired convention centers in the United States.

Operated by the New York Convention Center Operating Corporation (NYCCOC), this iconic facility, located near the world-famous Hudson River is continuing to drive the economies of New York State and New York City by hosting blockbuster events of all shapes and sizes. Nowhere in the country will you find a venue with the extensive resources, services and staff of elite professionals dedicated to making every trade show, convention and special event a success. It's no wonder that nearly 40,000 companies have chosen the Javits Center as their preferred venue every year, making it the busiest convention center in the country. And when you consider that the Javits Center sits at the nexus of Manhattan's resurgent West Side neighborhood, it's easy to see why whatever's happening, happens here.
